

Navigating Bricktown and Kingman

Odyssey Leadership Academy is located on the 3rd floor of The Kingman Building in the Bricktown district.

The address is *100 East California Avenue, Oklahoma City, OK 73104.*

Drop Off:

- Please drop off your student(s) on the WEST side of the Kingman building on the EAST side of South Oklahoma Avenue. Please do not block the street so that other cars may pass.

PICK-UP:

- Please pick-up your student(s) on the WEST side of the Kingman building on the East side of South Oklahoma Avenue. Please do not block the street so that other cars may pass.

Parking:

➤ FOR STUDENTS:

- Students may park their vehicles in the paid parking lot across the street from the Kingman building at 101 SE 2nd Street Parking.
- In order to acquire a parking permit please contact *Progressive Parking Solutions* at 405.232.2432 or rwortman@progressiveparking.com

➤ FOR PARENTS and GUESTS:

- **Parking:** Due to the school being in the Bricktown area, we do not have free parking accessible to Odyssey. Please find parking in the paid parking lots or along the street with meter parking. If you would like to purchase a drink, Starbucks is across Reno on the south side of the building where your purchase allows you free parking in their lot; just keep your receipt!
- **Odyssey Floor Access:** For safety reasons, the Odyssey floor is not accessible to any student or adult unless they are being accompanied by an Odyssey mentor. To access the school floor, please go to the lobby on the first floor of the Kingman building and use the keypad to the left of the glass doors to call the Odyssey reception desk. The administrative team will unlock the doors to the central lobby and be down shortly to allow elevator access to the Odyssey floor. Please call the general Odyssey phone number at 405-697-0219 if you have any problems.

Wet and Hazardous Weather:

➤ Rain and Snow:

- **Drop off** will remain in the same location. We recommend wearing a rain jacket, warm coat, or using an umbrella to enter the building quickly.
- **Pick-up** will take place inside the Kingman building. Mentors will keep an eye out for vehicles and once the parent arrives we will send the student out to the vehicle.

➤ Ice, Tornadoes, and Other Extreme Weather:

- **During School Hours:** If extreme and dangerous weather occurs abruptly during school hours, we will move the students to the basement of the Kingman building until the weather passes.
- **Anticipating Extreme Weather:** If we can anticipate the coming of extreme weather, we will either cancel school or end school early. Due to a number of families and students that travel long distances to and from school, we understand and take into account the dangers of traveling in extreme weather conditions.
- **School Cancellation:** In the event of school closings due to inclement weather, cancellations will be listed on the local news stations' website closure listings and through the school's email and social media outlets. *Please do not call or email staff at home for information regarding potential closings.*
